

INSTITUTIONAL DISTINCTIVENESS

2019-20

Moulding a socially committed citizen having academic excellence in an eco-friendly atmosphere is the soul aim of our institution. With the intention to uphold this, students are encouraged to do social welfare and eco-friendly activities inside and outside our campus. As part of this various club activities are being carried out in our college to imbibe civic responsibility among students. We have a very enthusiastically functioning crew to steer the club activities in our college. Institutional Social Responsibility Forum (ISRF), Nature Club, NSS and NCC are working meticulously as a team to promote civic sense and to develop humanitarian values in our students. Activities based on this regard are conducted as follows:

ENVIRONMENT FRIENDLY ACTIVITIES

World environment day

World Environment Day was celebrated in the College on June 5, 2019 with variety of programmes. Students cleaned the premises of the College and planted tree saplings under the guidance of teachers.

Trees are planted in the college campus under social forestry activities by the students of our departments. The students are advised to not bring plastic in the college to make campus plastic free. The students of various departments conduct awareness programme regarding the non-burning of plastic as a part of reducing atmospheric carbon level.

Planting of sapling provided by students of college.

CAMPUS CLEANING AND SETTING UP OF FLOWER GARDEN

Campus cleaning and beautification were carried out on 02/10/2019 in connection with Gandhi Jayanthi celebration. The programme was done with the help of College Authorities, College Union and Faculty members.
