REMEDIAL CLASS FOR SLOW LEARNERS

DEPARTMENT OF GEOGRAPHY

The department of Geography mainly focus on remedial classes by two ways.

- 1. After University Exam remedial classes were given to those who need further improvement in results
- 2. After class test and internal exam, they were given remedial classes and retest were conducted and result were analysed

During the academic year 2020-21 the Department mainly focused on the remedial classes after S1 result of 2019 batch, S4 result (declared on 12/02/2021), S5 result (declared on 02/08/2021) and S6 result (10/08/2021). The classes for 2019 batch on Paper Principles of Geomorphology was assigned to Dr.Karthika K and the classes were taken on 01/11/2020. Out of 34 students, eight were failed and more than 14 needed improvement.

In the S4 (2019-2021) result analysis three failed in Geography paper and around 10 need improvement. So as the offline classes were going on Remedial class for Human Geography paper was given to those who required improvement and the classes was handled by Dr.Nishad N and Mereena C.S.

In case of S5 exam four failed and in S6 exam three failed (two of them didn't attempt practical exams). They were given remedial classes by the concerned teachers.

In case of class test results, remedial classes were given to following papers

- 1. Principles of Geomorphology
- 2. Human Geography
- 3. Climatology and Oceanography
- 4. Geography of Kerala
- 5. World Regional Geography
- 6. Disaster Management
- 7. Geography of India
- 8. Geography of resources

Remedial classes were conducted in extra time. The proof of some of the retest is as follows
