NATIONAL  
POLLUTION CONTROL DAY  
December 2 2021

"Stop pollution  
save earth"

With regards to National Pollution Control Day, NSS Unit 17 A & B conducted a campaign in Government College Kariavattom at 1 pm.

A rally was organised by the NSS volunteers and awareness classes were taken by volunteers for all students of the College on pollution and how to control it.

Dr. Dhanya C R shared a few words about the program and the campaign ended with vote of thanks by a volunteer.

# Paper Bag Making (04.12.2021)

The use of paper bags will save the environment from pollution as it is biodegradable and recyclable. They are environment friendly and help reduce plastic that takes a thousand years to decompose. This will make the planet healthier.

In this view this NSS unit planned to make paper bags using newspapers collected from their homes.
