

Student Development Program on R Programming

The Spoken Tutorial Project is about teaching and learning a particular FOSS (Free and Open Source Software) via an easy Video tool - Spoken Tutorials Google award winning MOOC. The department of Statistics, Government College Kariavattom hosted Students Development Programs on R programming from 6th of March 2021.

The screenshot shows the Spoken Tutorial website interface. At the top, there is a navigation bar with the Spoken Tutorial logo and various menu items like Software Training, Creation, News, Academics, About, Forums, Statistics, Login, and Register. Below the navigation bar, there is a section titled "List of Training Events". This section contains several filter options: State, Foss (set to R), Host College (Government College, Kariav), Event Start Date Range, Event End Date Range, and Event Type. There are "Filter" and "Reset Filter" buttons. Below the filters, there are tabs for "Ongoing Events" and "Past Events". A calendar icon indicates the event dates: March 8, 2021 - March 8, 2021, SDP. The main event details are: **Government College, Kariavattom organizing Student Development Program on R Programming.** Host College : Government College, KariavattomKerala; Event Coordinator Name : Prof. Anjana V; FOSS : R; Registration open from March 1, 2021, till March 5, 2021. At the bottom of the page, there is a footer with links to FOSSEE Project, Aakash Labs, Software Training, About Us, Scilab, Co-learn, Contacts for Training, News, eSim (Oscad), Python, Training Dashboard, page loads, Openfoam (CFD), Creation Dashboard, and Click here to view stats. The footer also mentions "Developed at IIT Bombay" and a Creative Commons license.

The registration of the event is started on 1st March 2021 and ended On 5th March 2021 through the link [List Training Event | spoken-tutorial.org](https://spoken-tutorial.org/list_training_event/) given in the website of Spoken tutorial of IIT Bombay. The user id and passwords are generated and provided to the students. All the registered students got access to the website link http://www.spoken-tutorial.org/create_cd_content with the given login details and they can download and watch all the video tutorials.

Smt. Anjana V, Assistant Professor, Department of Statistics acted as the co-ordinator of this programme. 42 students of B.Sc Statistics Course in our college were participants for the course along with 17 students from the Government college for women also participated in this programme.

The list of Participants are attached
