The national webinar on “General Awareness on Intellectual Property Rights” on 21st September at 10.30am was organized by the Department of Biochemistry. Around 100 participants comprising of Principal, Associate Professors, Assistant Professors, undergraduate and postgraduate students of our college participated in the webinar. The programme started with a welcome address by Dr.Sini H., Head, department of Biochemistry. Dr.Sini H. extended a warm welcome to all the participants and the Resource person of the webinar Mr.Manoj Madhavan. Mrs. Jaya A.S., Principal of our college inaugurated the webinar and Mrs. Jaya in her inaugural address gave emphasis to the importance of intellectual property and its different types copyright, patents, trademarks etc. She also mentioned about how the awareness on intellectual property rights is essential for working in society, upholding them towards greater freedom to invent, create and advance. After the inaugural address Dr.Radhika A, Associate Professor, Department of Biochemistry introduced the resource person Mr. Manoj Madhavan to the participants. The resource person Mr. Manoj Madhavan who is working as the Assistant Controller of patents and Designs, Indian Patent Office Chennai gave a detailed presentation on the history of intellectual property development, purpose of intellectual property law, different types of intellectual property like copyright, geographical indication, patents, industrial design and the financial incentive given for a creation. A detailed explanation on how even a common man after his innovative creation can file an online patent application and the job opportunities available in this field for qualified youth. Mr. Manoj Madhavan later responded to the questions and doubts raised by the participants. The session was concluded by a vote of thanks from Dr. Boban P.T., Associate professor, Department of Biochemistry. He expressed special gratitude to the resource person for his informative and useful presentation. He also expressed sincere gratitude

to the Principal for her constant encouragement and support in conducting the webinar and the participants in making the webinar a grand success.
