The reason behind our flying Indian flag is not the wind behind it but it is the breath of each and every soldier which keeps it flying high.

The cost of freedom is always high, but Indians have always paid it. And one path we shall never choose, and that is the path of surrender, or submission.

India celebrates Army Day on January 15 every year to honour the sacrifices of soldiers, who have served the nation selflessly and set a significant example of brotherhood. It is a day of national pride and to remember the selfless service.
