Programme

Welcome: **Smt.Mereena C.S.**(Head)
Inauguration: **Dr.Krishnankutty K**(Principal)
Felicitation: **Dr.Sabeen H.M**
(IQAC Coordinator)
Session: **Dr.Dhanya Vijayan**
(Scientist,Germany)

"Prospects and Scope of Geographical Research in Foreign Countries"

About the programme:
The present century started witnessing a change in climatic behaviour , land use pattern, change in spatial interactions, Urban development etc. Explorations and research in these aspects is therefore a necessity of time. Geographical research help to analyze these aspects on a more relevant way. The programme aims to provide an insight on current aspects of Geographical research and its scope in and outside the country.

About the resource person:
Dr.Dhanya Vijayan is currently working as scientist in ZALF,Germany.She has obtained PhD from the University of Kerala. She has research experiences from DAAD Germany, University of Bremen, NCESS-India. She was honored with Alexander Von Humboldt award for her research contributions. Her area of interest is sustainable nature resource management, indigenous studies, river basin management, land use change studies, participatory planning.
