

Result analysis 2021

The department level monitoring committees (DLMCs) of all departments, analysed the results of BSc (2018-21 batch) and MSc (2019-21 batch) students and submitted reports to the IQAC including the suggestions to improve the results in the coming years.

The consolidated result analysis is given below.

Course Pass percentage of Students (2018-21)

Code	Program Name	Number of students appeared in the final year examination	Number of students passed the entire course (all semesters)	Course Pass Percentage *
238	B.Sc. Biochemistry	40	31	77.5
350	B.Sc. Biotechnology	32	20	62.5
241	B.Sc. Chemistry and Industrial Chemistry	25	8	32
320	B.Sc. Computer Science	31	22	70.97
205	B.Sc Geography	33	12	36.36
328	B.Sc. Physics with Computer Application	34	14	41.18
225	B.Sc. Statistics	37	24	65
630	M.Sc. Physics	14	10	71.4
620	M.Sc. Maths	12	9	75

* Course pass= No. of students passed entire course/ total appeared students *100

Pass percentage of Students during the year 2020 - 21

Program Code	Program Name	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage
238	B.Sc. Biochemistry	40	36	90
350	B.Sc. Biotechnology	32	31	96.8
241	B.Sc. Chemistry and Industrial Chemistry	25	18	72
320	B.Sc. Computer Science	31	28	90.3
205	B.Sc Geography	33	30	90.91
328	B.Sc. Physics with Computer Application	34	17	50
225	B.Sc. Statistics	37	24	65
630	M.Sc. Physics	14	13	92.9
620	M.Sc. Maths	12	10	83.3

IQAC discussed the result analysis consolidated by the departments and provided the following suggestions for improving the performance of students in future.

1. To conduct remedial for slow learners
2. To encourage peer group teaching
3. To conduct frequent examinations to avert examinophobia among students
4. To provide psychological support to students through "Jeevani" programme.
