

Model examination 2021-22

Government College Kariavattom

Centralized model examination for S1 students of all departments were conducted to prepare students for the public examination. Students does not have an idea of the pattern of the university examination especially the first semester students. Although the students listen to the classes most of them do not have the ability to write the answers properly according to the marks or they the lack the way to approach the questions properly. Also they cant keep the timing in examinations. In order to tackle all these issues model examination in the same pattern as university examination is regularly conducted. The students are given time to prepare for the model examination. With the financial help from PTA, the model exam coordinators collect questions from all the department, take copies, arrange teachers for invigilation and provide sealed answer sheets for the students. The students find the model examination very helpful as they get tackled easily with the questions and timing of the exam. Because of this they could reciprocate well in the public examination.
