## TRAINING ON MAKING OF BUTTERFLY GARDEN

TIME: 12.00-1.00PM

### OUR MISSION

We are making butterfly garden to protect the life of living rainbow.

We are looking forward to setting up of a butterfly garden around Ladies' amenity centre. We organised a training session by Dr. Sherin S. (Assistant Prof. of Biochemistry, A.J. College Thonnakkal). He spoke on how to set up a butterfly garden. He mentioned about the plants and trees that attracts butterflies.

In the afternoon volunteers cleaned land around the amenity center and on the sides of auditorium.
