

ANTIRAGGING CELL

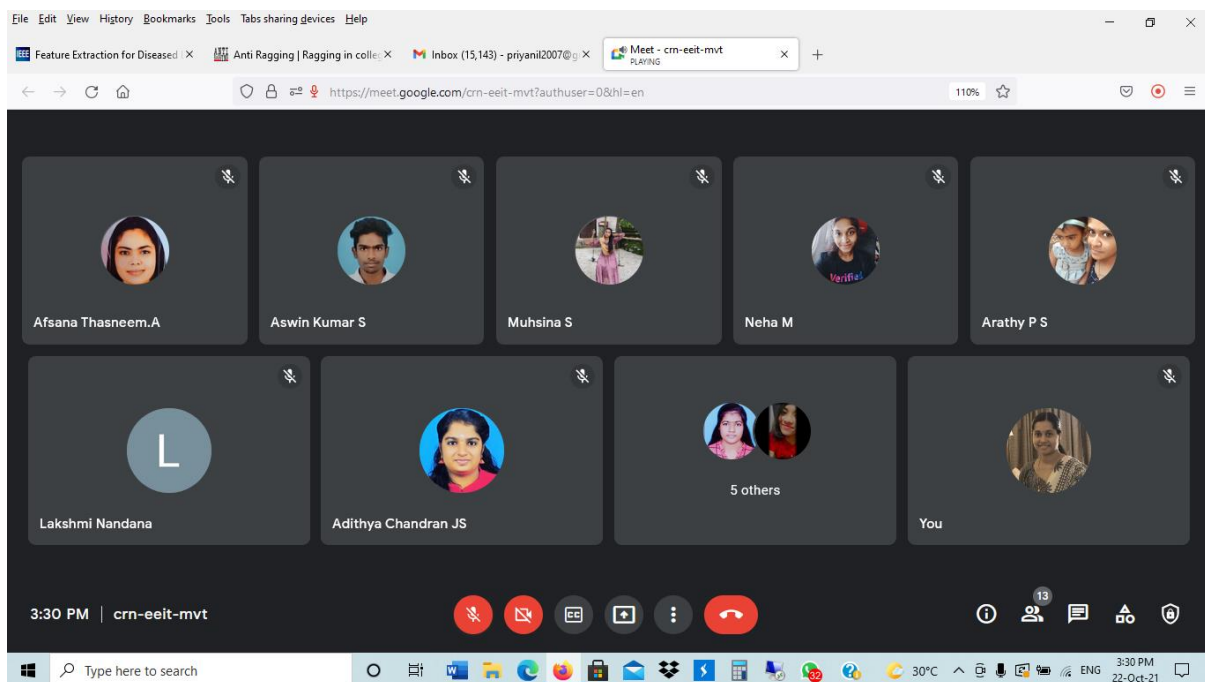

GOVERNMENT COLLEGE KARIAVATTOM

ANNUAL REPORT (2021-2022)

Activities

Each year, at the time of admission students are made to sign an antiragging undertaking, stating that they will not indulge in any kind of ragging during their course of study in the college. This year due to Covid 19 Pandemic, College remained closed after summer holidays of April-May 2021.

Later Government declared reopening of all Higher education institutions in the state on 25th October 2021. Hence it was decided to conduct a google meet for all first-year UG students, to make them aware of the Anti-ragging cell of the college. It was also decided to conduct similar meetings for PG students after their admission. Consequently, two meetings were conducted separately for all first-year UG students. They were given directions on how to file the antiragging undertaking through the website www.antiragging.in. The students successfully completed the registration. It was also decided to conduct an awareness programme by an external expert after the commencement of offline classes.
