A group was formed to promote environmental awareness/ agriculture awareness among the students under the leadership of Nature Club, Government College Kariavattom named “കർഷകസംഘം”- **KARSHAKASANGHAM**.

Smt. Suchithra Krishnan, Asst Professor in Botany were charged as team leader with members of Nature Club, members of EWYL scheme, members of Gandhian Studies Chair, IQAC, GCK, other faculty members, College union and other interested students. The main aim was to setting up a VEGETABLE garden nearer to college canteen and other areas and perform vegetation. Selected students were given wages during this program as per government norms under the scheme “EARN WHILE YOU LEARN” and the profit will be earn by selling the vegetables to the College Canteen. This scheme aims in creating awareness among students about agriculture and also promote them to earn while they studying. With the aid from PTA of the college, Adukkalattottam was setup with the support from the students and faculties.
