

National Science Day celebrations 2023

Department of Chemistry and Industrial Chemistry, Govt. College Kariavattom celebrated National Science Day on February 24, 2023. On the auspicious day, several programmes were organized. Oral presentations, poster exhibition, and quiz competition were included in the schedule. The programme commenced at 10.00 am in the college seminar hall. Student coordinator Raison Runny Philip gave the welcome address for the programme. The events started with an inter departmental oral presentation competition which was based on the National Science Day theme 2023 – "Global Science for Global Wellbeing". A poster exhibition was conducted in the Nalukettu. The exhibition was inaugurated by Dr. Rahul Subin S., PTA Secretary of our college. Various posters prepared by our students were displayed which aimed to show the fascinating progress of scientific development in our country. In the afternoon session, an inter departmental quiz competition was conducted, which was managed by Quizmaster Sri. Sudheer.B, Assistant professor, Department of Chemistry and Industrial Chemistry. Prizes were distributed to the winners during the concluding session. The event came to an end with the vote of thanks by Ms Anjana A.S., the student coordinator.
