

## TRAINING FOR ADVANCED LEARNERS

In the academic year, 2022-23, as part of training given to advanced learners , PG entrance coaching were conducted for S6 BSc geography (2020-23 batch). Students in the final semester of BSc were given awareness and training about MSc program taught under various universities across India. It focused on two major areas:

1. To get familiar with PG programs offered by various universities across India
2. To give coaching and preparation for various PG entrance examinations.

Dr Karthika, Assistant Professor, Department of Geography coordinated the task.

Students got familiarised with the programs and entrance exams offered by Sree Sankaracharya University , Kalady, ernakulam, Madurai Kamaraj University, Osmania University, JNU New Delhi , Central University in Tamil Nadu and Banaras Hindu University.

The following is the list of students whom got placed under various universities for PG program
