

**Programme undertaken for Advanced Learners and Slow Learners**  
**Peer Group Classes for Slow Learners**  
Department of Botany  
Govt. College Kariavattom

The department of Botany is mainly focusing on both the improvement of Slow Learners and progression of advanced learners. As per University exam result categorise students in to slow learners and advanced learners, then the remedial classes were given to slow learners which would help them improve their results. Peer group classes can be a more effective method of remedial teaching. During 2022-23 academic year peer group classes were organised for third semester Botany core students (Biotechnology Multimajor).
