

Industrial visit(2018-19)

As a pre-event of IISF-2018, The CSIR-National Institute for Interdisciplinary Science and Technology (NIIST), Pappanamcode has organised a one day Science Outreach Programme involving students and public on September 14, 2018 to make them aware of the R&D activities of CSIR-NIIST. From our college 3 students from B.Sc Industrial chemistry department, 2 students from biotechnology department and 5 students from Physics Post Graduation department attended the programme along with two staffs-Dr.Jolly Bose R (Assistant Professor of Department of Physics) and Dr.Bijitha.B (Assistant Professor of Department of Chemistry)

JNCASR-FCBS WORKSHOP FOR COLLEGE CHEMISTRY STUDENTS AND TEACHERS, October 25-27, 2018

JNCASR-FCBS Workshop for college Chemistry students and teachers was conducted in October 25-27 on Hotel Residency Tower, Trivandrum. The program was sponsored by Sheikh Saqr Laboratory, JNCASR Bangalore and Foundation for Capacity Building in Science (FCBS), Trivandrum. The workshop was designed for chemistry students and teachers in Kerala for growing their interest in the field of chemistry research. Dr. Bijitha and Mrs. Lekshmi teachers from chemistry department, Jayalekshmi of S5 BSc and George Mathew of S3 BSc Chemistry and Industrial Chemistry were the participants from Government College, Kariavattom. There were total twelve lectures by famous scientists from institutions like IITs, IISER, IISC, JNCASR and CSIR-NIIST.

As a part of national science day celebrations, 20 students from the dept of chemistry and biochemistry were taken to CSIR-NIIST. (2019-20 feb)
