

**Creating Awareness on Citizen's Duty-70 years of Constitution of India -CTRI ,Sreekariyam
on 26 November 2019**

The Central Tuber Crops Research Institute organized an awareness program on fundamental duties on 26 November 2019. The second-year students from department of Geography participated in this event. Main attraction of the programme was an expert talk on "Constitution and Fundamental Duties". Justice M. R. Hariharan Nair, Former Judge, High Court of Kerala was the chief guest for the programme. There was also an interactive/discussion session followed by the talk. They got opportunity to visit CTRI research centre and understand its research and lab activities. The team was lead by Dr.Nishad N., Assistant Professor in Geography.
