

## ICFOSS DEBIAN BUSTER PARTY

As part of Initiatives for generating interest in FOSS and its various activities ICFOSS hosted a Debian 10.0 buster release party and open forum at ICFOSS, Swathantra Building Greenfield Campus Kariavattom on July 6<sup>th</sup> 2019. The FOSS cell members of the college were invited to the event. The Debian Buster party conducted by ICFOSS was attended by three FOSS cell members alongwith the FOSS cell Coordinator Tina Elizabeth Mathew. A talk by noted speaker and Debian Developer Sruthi Chandran along with a poster exhibition was hosted by ICFOSS and the members attended the events . Free installation of OS was also done on laptops brought by the students.
