**Govt College Kariavattom observes**  
**CANCER AWARENESS DAY**  
**7<sup>th</sup> Nov2021**

**November 7 is observed annually as National Cancer Awareness Day in India to raise awareness about cancer, of which 1.1 million cases are reported in the country each year. National Cancer Awareness Day was first announced in September 2014 by then Union health minister Dr Harsh Vardhan, with November 7 chosen for the occasion to coincide with the birth anniversary of Nobel laureate Marie Curie, who was born on this date in 1867, and whose works led to the development of radiotherapy to treat cancer.**

**National service scheme unit 17 A&B of Govt College Kariavattom observed National Cancer Awareness Day on November 7 and organised an online Google meet for students and parents to spread awareness of early detection and prevention of Breast cancer. 78 students accompanied by their parents participated in the program.**
