Annual Report of Antinarcotic Club and Vimukthi deaddiction Club, 2021-22.

Government College, Kariavattom

The anti-narcotic club, formed and functions in the college with the support of the Kerala police, is aimed to create awareness among the student community about the ill effects of drug abuse and encourage them to be a vital part of the campaign against substance abuse and drug proliferation. The Vimukthi de-addiction club, an initiative of the state excise department, is also aimed to strengthen the anti-narcotic drive among students.

The Anti-Narcotic club and Vimukthi De-addiction club of the Government College Kariavattom conducted an online awareness class on the topic “*Madyavum mayakkumarunnum samoohathinu sammanikkunnathu*” in association with the NSS units and IQAC on 30th July 2021. The resource person was Dr Abesh Reghuvaran, Assistant professor of the Center for Science in Society, Cochin University of Science and Technology, Kochi. The speaker touched upon the ill effects of narcotics and emphasized the need to stay away from the use of drugs. The meeting was attended by more than 100 students, the Principal, IQAC coordinator, NSS Programme officers, and the faculty members in charge of the anti-narcotics club.

We have also organized a poster-making competition for students on the topic “*Lahariyum Samoohavum*”. Forty-eight students participated in the competition and the

winner were announced at the Independence Day celebrations 2021 by the principal, Smt A. S. Jaya.

Further, the short film “Bramaram”, created by the NSS volunteers of our college, was submitted to the Short Film Competition conducted by Kerala Vimukthi Mission for College students. Due to the pandemic and related restrictions, the activities of the club were limited to the above-mentioned programs.

During this academic year, the initiatives of the clubs created awareness among students about the ill effects of substance abuse and drug proliferation. More concentrated and vigilant efforts are needed to make our college a “Drug-free Campus”.

24/06/2022

Dr. Boban P. T. (Coordinator)

Vimukthi Short film 'Bramaram': 18 volunteers made a short film for contest organised by Vimukthi mission, Govt. of Kerala and submitted on Feb 15th 2022. Theme was the ill effects of drug abuse and the positive aspects of overcoming it.
