Department of Physical Education -Annual Report

Physical Education is "Education through the physical". It aims to develop student's physical competency, knowledge of movement and safety and their ability to use these to perform in a wide range of activities associated with the development of an active and healthy lifestyle.

The vision of the Physical Education department is the development and promotion of sports for health, educational and social benefits of student community. Accordingly the department has adopted the following mission.

- (1) To provide adequate infrastructure facilities for sports and games so that students choose and participate in the events for which they have flair.
- (2) To nurture, better human relations through sports and games enjoy a perfect balance between sports performance and standards and healthy lifestyle.
- (3) To imbibe discipline , leadership qualities ,courage and sense of belongingness through sports activities
- (4) To produce national and international players by providing opportunities to develop knowledge and skills.
