### 7.1.1. Facilities for Women on Campus

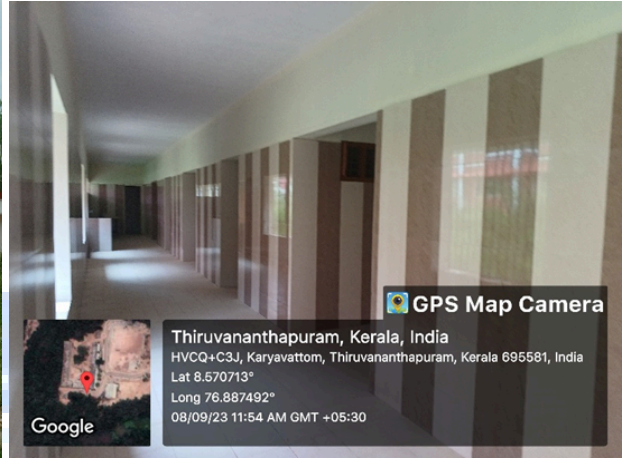

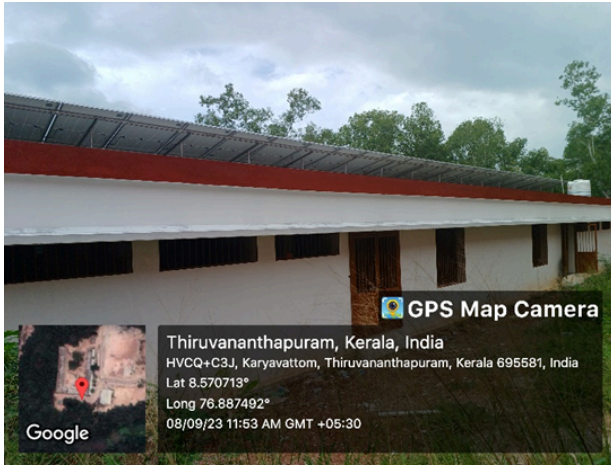

**Ladies Amenity Centre:** A ladies amenity centre, provided with clean and spacious toilets, is situated in the campus to cater specifically to the needs and comfort of girl students.

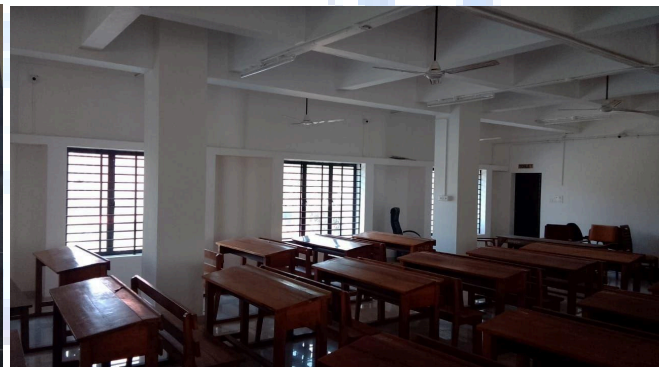

**Sanitary napkin vending machine and manual incinerator** is an essential facility provided to promote menstrual hygiene and ensure the well-being of female users. Vending machine is strategically placed within the Girls toilet block to offer easy access. The vending machine is regularly stocked and maintained to ensure that users have access to these essential products at all times at a nominal rate. A manual incinerator is also attached to the toilet block which is maintained regularly to ensure its optimal functioning and cleanliness.

**Girls toilet block** -The college has a girls toilet block with 35 cubicles and several wash basin facilities.

**Surveillance Cameras:** For Security of girl students and staff

**Clubs/Committees/Cells:** For addressing Women specific issues and catering to the needs of girl students & staff.
