

DEPARTMENT OF CHEMISTRY, GOVT. COLLEGE KARIAVATTOM

RELEASING OF HANDWRITTEN MAGAZINE, SHASTRA-2024

The Department of Chemistry, Government College Kariavattom, in association with the College Union, successfully organised the release of the handwritten magazine "Shastra" on 27th March, 2024. This joint endeavour marked a significant milestone in the department's efforts to foster creativity, critical thinking, and scientific communication among students.

The release of "Shastra" was a well-attended event that showcased the talents and dedication of the students in the Chemistry department. The magazine featured a diverse range of science articles, poems, illustrations, all meticulously crafted by the students themselves.

The event was graced by the presence of Dr. Sandhia G. S., the esteemed principal of Government College Kariavattom, who released the magazine to much applause. Her presence significantly elevated the occasion and provided invaluable encouragement to the students. The collaboration with the College Union ensured widespread participation and support for the event.
