KARIVATTOM**

ACTIVITY REPORT

INTRODUCTION

An awareness programme on HIV prevention was organized at Government College Karivattom in the A BLOCK of the college. The highlight of the event was a street play performed by the Professional Street Play artist at the college, aimed at spreading awareness among students about HIV, its causes, prevention methods, and the importance of removing social stigma. The programme was conducted as part of the college's health awareness initiative and was well received by the students and faculty.

Contents

- **Inaugural Speech**
- **Street Play Performance**
- **Awareness Messages**
- **Conclusion**

1. Inaugural Function

The programme began by a welcome address by the Faculty of the college delivered the welcome address and emphasized the significance of HIV awareness among the younger generation. Dignitaries highlighted the importance of creating a supportive environment for people living with HIV.

2. Street Play Performance

The StreetPlay artists staged a street play in the college A Block building. The performance depicted was cinematic experience highlight:

The modes of transmission of HIV

- Misconceptions and myths surrounding the disease
- Preventive measures such as safe practices and awareness about medical care
- The need to treat HIV-positive individuals with compassion and dignity

The play, enriched with music, slogans, and energetic acting, succeeded in capturing the attention of the audience and delivering the message in a simple yet powerful manner.

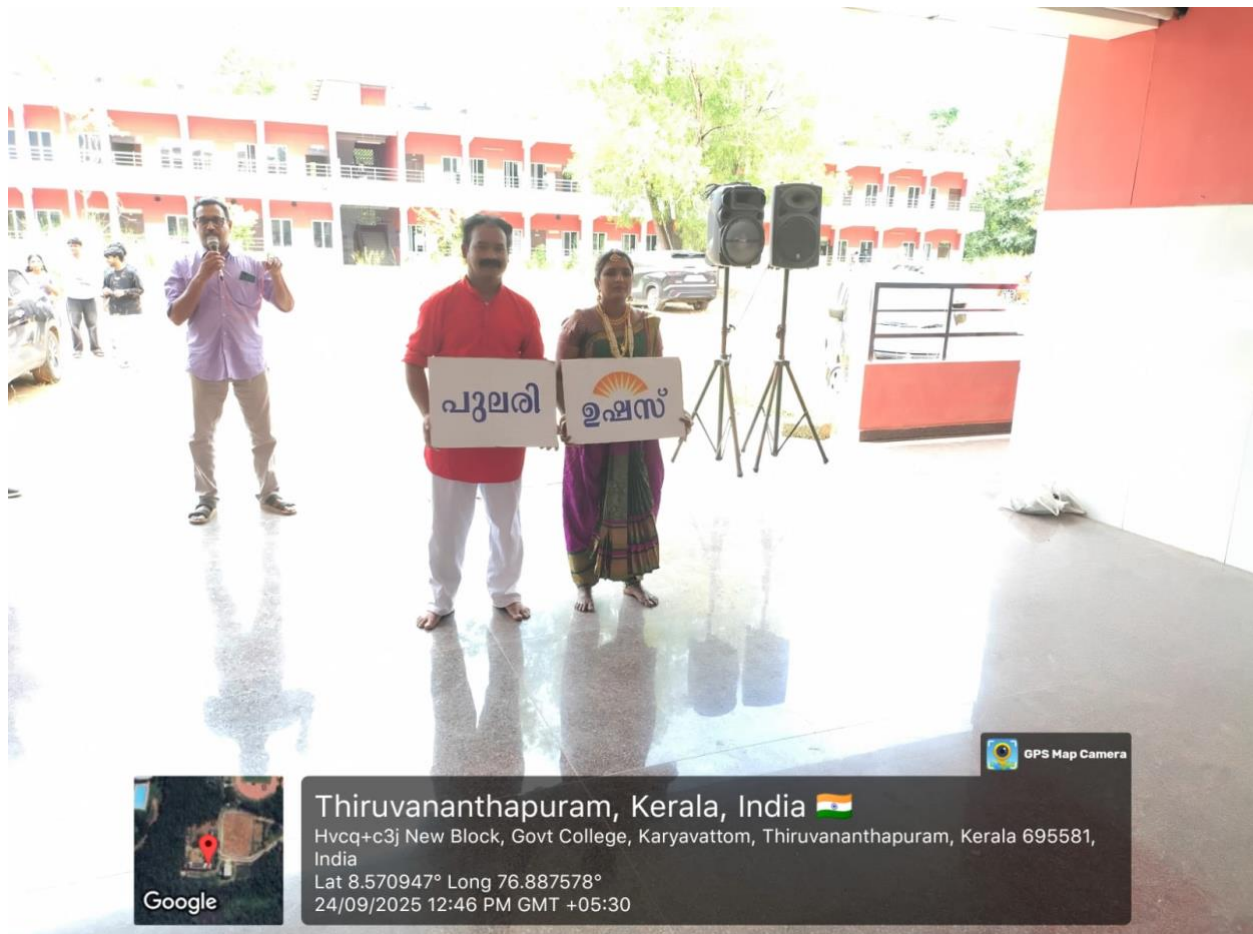

3. Awareness Messages

At the street play and after the street play, they interacted with the students. They explained the medical facts about HIV/AIDS, methods of protection, and the importance of early testing and treatment. They also

stressed the need to fight against social stigma and to promote inclusiveness.

4. Conclusion

The HIV awareness street play was a memorable and impactful event. It helped in breaking myths, spreading knowledge, and encouraging students to act responsibly. The programme also reminded everyone of the collective responsibility to support those living with HIV and work towards building a healthier society. The event concluded with a vote of thanks by an NSS volunteer.
