The meeting started with a welcome address by the Principal Smt. Jaya - A - S. She appreciated the NAAC team for the timely completion and submission of AQAR. She made a note on the visit of our Director Collegiate education and her vision of submitting the SSR on completion of the ongoing construction works. IQAC coordinator Dr. Sabreen - H.M briefed the progress of work going on at the campus, based on

the discussions with the various Engineers/Contractors of various projects works. The renovation work of A and F block to be completed by July 2022, and the B-Block to work by August 2022. Playground protection work, pathways and the duct (drainage/cable) construction are in progress.

The meeting decided to take necessary steps for the speedy completions of the constructions work. In the wake of the decisions, a meeting to be conducted convened in the presence of the MLA along with the officials of the concerned departments of pvd and KIFB at the earliest. The matter was entrusted to the building committee convenor.

The meeting discussed the internet facility of the college and found that the ease of availability of internet to departments can be made by enhancing the wifi facilities in the college. Hence decided to instal WiFi Modems at selected locations in-thele the campus. The meeting decided to entrust the PTA executive to convene the PTA meeting of the outgoing students before the commencement of the final semester examination.

The student centred programmes concerning the Arts Fest, sports activities etc, if to be conducted, should be planned well in advance of the semester exams. The college union selected to be entrusted to chalk out the related programmes and inform the staff adviser. As the meeting decided to get the feedback from students and parents. The matter was entrusted to concerned tutors to receive the feedback forms from concerned persons and handover to the IQAC convener.
