

Young Innovator's Program (YIP)

College was registered for the YIP program under the Kerala Development and innovation and strategy council (K DISC). K-DISC aims at bringing out path-breaking strategic plans that reflect new directions in technology, product and process innovations. In the first stage 2 facilitators were selected Dr. Bijitha B, Chemistry (Nodal officer) and Dr. Anju, computer Science to act as facilitators between the college and K-DISC. Institution registration was done. They called for ideas/projects from each college. We submitted a project CONSERVATION OF WETLAND ECOSYSTEM: A PARTICIPATORY INTERVENTION ON VELI- AKKULAM LAKE REGION OF THIRUVANANTHAPURAM, KERALA. Mentor: Dr. T. K. Prasad. He was called for a short presentation for the next stage. But didn't receive the project fund. The facilitators also participated in a 2 day workshop on 24st & 25th February 2020 at ICFOSS, Swatantra, Greenfield International stadium, Kariyavattom, Trivandrum. Different sessions on Design thinking, Finalizing ideas, prototyping tools and techniques were there on the first day. On the second day construction of prototypes were done. The aim was to train a bunch of motivated group of teachers from diverse backgrounds, targeting a multidisciplinary approach to problem solving and innovation.
